## Product Description

The Filters are designed to protect against solid and non-volatile liquid particles. When the Filters and their associated Filter Retainers are used in conjunction with a 3M specified pair of the same type of 3M Gas and Vapour Filters, the Combined Filters protect against gases, vapours and particles.

The Filters and Combined Filters are designed for use with the 3M Half Masks and the 3M Full Face Masks specified in the Reference Leaflet for the Masks.

The Gas and Vapour Filters and the Masks have been independently UKCA Certified.

## Packaged variants

In addition to the products referenced on this Certificate, the products may also be sold as market specific packaged variants. Such variants will be differentiated and the Technical File will be updated with the appropriate information.

## Kits and packouts

The products referenced on this Certificate may also be combined with other 3M products into a kit or packout. There will be no change to the products but the user information may vary. In such instances the Technical File will be updated with the appropriate information.
